Capability Summary

Exceeds Expectations. Innovative. Tailored Designs.

Who We Are

Spencer Cole is the premiere engineering technology and management consulting company located adjacent to Cummings Research Park.

What We Do

Spencer Cole, LLC provides management consulting throughout the federal, commercial, academia, manufacturing, information technology, oil and gas, defense and aerospace industry. Our objective is to improve the economic viability of firms, through strategic and direct partnership. Our services include strategic growth planning and plan execution, operations streamlining, marketing and branding, business development as well as guiding our client firms through the certification process – to include advisory services, preparation and audit compliance support.

How We Do It *...with a commitment to delivering a quality product!*

Listening. Research. Strategic Focus.
